EXPERIENCE

Dental Consultant

P&R Dental Services | Remote | 2018 - PRESENT

- Efficiently and accurately review dental claims using radiographs, treatment notes, and narratives for medical necessity
- Perform peer to peer consultations with treating dentists explaining claim reviews

Dentist

Visiting Ancillary Services | Traveling Dentist | Front Range of CO | 2016 - 2018

Gold Rush Dental | Practice Owner | Cripple Creek, CO | 2013 - 2017

Comfort Dental | Practice Partner | Pueblo, CO | 2011 - 2013

- Provided compassionate and comprehensive general dentistry for infants in their mother's laps to elderly patients confined to wheelchairs and bed bound in nursing homes
- As the dentist and owner of a small, rural dental practice, I was responsible for: hiring, training, and management of the staff, completing payroll and accounting, and networking and sysadmin duties
